

New Hampshire Oral Health Coalition

2019 New Hampshire Oral Health Forum

**Improving Oral Health Outcomes through Effective
Community-based Strategies**

Friday, November 22, 2019

8:00 a.m. to 3:00 p.m.

Puritan Conference Center

245 Hooksett Road

Manchester, NH 03104

Who Should Attend?

**Medical, Dental, Mental and Behavioral Health
Providers, Program Managers, Policy Makers,
Legislators, Students and YOU!**

Event Objectives

Attendees will be able to:

- Understand new science-enabling new delivery models;
- Speak about the role of telehealth-connected teams in improving the oral health of underserved populations;
- Describe the primary differences between traditional patient education and a patient-centered approach aimed at behavior change;
- Describe the fundamental spirit, guiding principles and strategies of Brief Motivational Interviewing;
- Define one systemic barrier to sufficient oral health/dental services for underserved populations, and a solution to address the barrier.
