This eight-hour awareness-level course for school administrators and emergency responders will educate rural law enforcement personnel as well as school administrator and staff to effectively respond to an emergency involving a school building or an entire school system. The training will provide representatives of rural law enforcement departments with a foundation of knowledge and skills that will enable them to progressively establish a school-based emergency response plan and crisis management team through information sharing and training.

TOPICS COVERED INCLUDE:

- Introduction to Incident Planning and Preparedness
- Proactive Threat Mitigation
- Incident Response
- Incident Recovery
- Vulnerability Assessments
- Threat Assessment Management
- Incident Defusing and Debriefing
- Parent Reunification
- Anniversaries, Memorials, “Copy-Cats”

PREREQUISITES:

- US Citizen
- FEMA SID #
