Hello Event Supporters;

We are writing to invite you to be a vendor for an upcoming educational and celebratory event specifically to support Licensed Nursing Assistants (LNAs) titled “**Adding to the Toolbox: A Day of Learning, Celebration, and Renewal for LNAs**” on **Wednesday October 3, 2018** at the **Mountain View Grand in Whitefield, New Hampshire**. This event is an opportunity for you to connect directly with LNA’s working in northern NH and across the state to show your products or promote your organization.

This day-long event will provide accessible continuing education for LNAs in the North Country and New Hampshire and celebrate the importance of the work they do as a member of the healthcare team. This is a collaborative event planned by: North Country Health Consortium/Northern NH Area Health Education Center, North Country Healthcare, Coos County Nursing Home, Coos County Nursing Hospital, New Hampshire Health Care Association, New Hampshire Sector Partnerships Initiative, and Genesis HealthCare- Country Village Center.

The educational workshop topics for the day include:

- *Music and Memory: How music can renew lives lost in dementia,*
- *Hospice Care: Supporting patients and families,*
- *Oral care for the elderly and its impact on overall health, and*
- *Alzheimer’s Habilitation Therapy: an evidence-based, best-practice for direct care staff working with patients*

If you would like to be a vendor at this event, please complete and mail the enclosed **Vendor Registration Form**. The vendor fee of \$75.00 includes one 8-foot table and registration for one attendee. Additional attendees can register at the conference rate of \$25.00 per person.

This is a wonderful way to reach LNAs and Direct Care Workers. We look forward to hearing from you.

Best,
