2017 Annual Meeting

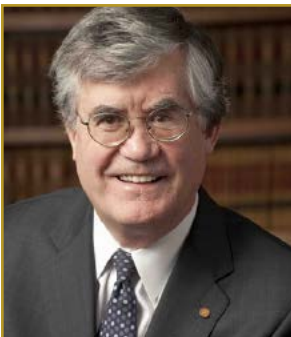

Celebrating 20 Years

“Rural Health: Past, Present, Future”

Friday, November 17, 2017
8:30am–1:00pm

Mountain View Grand
Whitefield, NH

This year's annual meeting will feature:

Hon. John T. Broderick, Jr.
Senior Director of Public
Affairs, Dartmouth-Hitchcock

Former Chief Justice of the NH Supreme Court, the Honorable John T. Broderick, Jr.

Judge Broderick was Chief Justice of the New Hampshire Supreme Court for seven years and served on the Court from 1995-2010. During his time on the Court, his family walked through the valley of mental illness in a very public way but survived and healed. **Last year he agreed to co-chair the first statewide launch in New Hampshire of a national mental health awareness campaign called Change Direction.**

The goals of the Change Direction campaign are simple, timely and important. Judge Broderick has spoken countless times over the last seventeen months to varied audiences in a dedicated effort to improve understanding and awareness of mental illness to eliminate its mythology, encourage discussion and treatment and begin to change the unfair and shameful culture that surrounds it. He will discuss his family's mental health journey and recovery, the struggles posed by mental illness for so many families and the imperative to Change Direction.
