## In the Haverhill Area

Welcome to the North Country! We're delighted to have you join our community and value your interest in serving the residences of the Haverhill area. An integral part of **Live, Learn, Play in Northern New Hampshire** is to help foster a meaningful North Country experience for you. We believe that this can be facilitated through excellent clinical sites and the community service project component of this program. Before selecting a site and specific project, you may wish to know a bit about the community in which you'll live to help improve your understanding of the area and its people. Below is a brief description of the Haverhill Area.

## About Haverhill

Haverhill is a town in Grafton County and includes the villages of Woodsville, Pike, North Haverhill, Center Haverhill, East Haverhill, Haverhill Corner and Mountain Lakes. The village of North Haverhill is the county seat of Grafton County. To the north is Bath and Landaff, to the east is Benton, to the south is Piermont and Warren and to the west, across the Connecticut River, is Newbury Vermont.

Haverhill and Bath are known as the towns with the oldest documented covered bridge in the country still standing, the Haverhill-Bath Bridge. The village of Woodsville, named for John L Woods of Wells River, Vermont, was once a very important railroad center. Woods also operated a saw-mill on the Ammonoosuc River and developed a railroad supply enterprise following the establishment of the Boston, Concord and Montreal Railroad. The village of Pike was settled by future employees of the Pike Manufacturing Company, which was, for a time, the world's leading manufacturer of Whetstones. When the town was thriving industries included 3 grist-mills, 12 saw-mills, a paper mill, a large tannery, a carriage factory, an iron foundry, 7 shoe factories, a printing office and several mechanic shops. The top employers in Haverhill and the surrounding area are now NE Wire Technologies Corp., Grafton County Complex, Cottage Hospital, DCI, Woodsville Guaranty Savings Bank and Upper Valley Press/Transport.

Haverhill's public school system includes one elementary school, junior high and high school. The *Bridge Weekly* is the local newspaper.
