## **NH DHHS COVID-19 Update – April 1, 2020**

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update for April 1, 2020, on the new coronavirus, COVID-19.

On Wednesday, April 1, 2020, DHHS announced 48 new positive test results for COVID-19. There have now been 415 cases of COVID-19 diagnosed in New Hampshire. The new cases are 30 adult males and 18 adult females. The new cases reside in Rockingham (17), Hillsborough County other than Manchester and Nashua (5), Cheshire (3), Carroll (2), Grafton (2), Strafford (2), Belknap (1), and Merrimack (1) counties, and in the cities of Nashua (9) and Manchester (6). Eight of the new cases were hospitalized for their illness; thus far, 58 (14%) of the 415 positive cases have been hospitalized. Fifteen of the new cases have no identified risk factors. Community-based transmission continues to increase in the State and has been identified in all counties with cases. Most of the remaining cases have either had travel to domestic or international locations or have had close contact with a person with a confirmed COVID-19 diagnosis.

DHHS has also announced the fourth death related to COVID-19. The person was a female resident of Sullivan County who was over 60 years old with underlying medical conditions. We offer our sympathies to the family and friends of the deceased.

### **Current Situation in New Hampshire**

County	Cases
Belknap	13
