Scholarships Available ~ Requests due April 29th, 2022

While there is no cost for this training, \$500 scholarships are available to make participation more feasible for organizations! See the registration link for details.

What is CIT Training?

CIT is a jail diversion program designed to improve the outcomes of police interactions with individuals whose behavior is influenced by mental illness, substance use, mental retardation, and related conditions. CIT training reduces arrests, the use of restraint, citizen, police and first responder injuries, and vastly improves the safety and satisfaction of all involved.

Target Audience:

Police, Fire, and EMS Personnel
