Objectives:

- How to “stay in your lane” as a recovery coach
- Issues around relationship boundaries and role clarity
- The ethical decision-making process
- How to develop guidelines for ethical decisions – **Assess, Plan, Implement, Evaluate**
- **Confidentiality** issues with respect to treatment and other healthcare providers, and non-treatment organizations

This project is supported by the **Health Resources and Services Administration (HRSA)** of the U.S. Department of Health and Human Services (HHS) under grant number H1URH32387 for the Rural Health Opioid Program. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
