

Development of the Eat, Sleep, Console (ESC) Care Tool

Professional Development Opportunity

February 14, 2022
12:00 - 1:00 PM

*Virtual
Presentation by*
Bonny Whalen, MD

*Earn 1.0 Continuing
Education Credits*

Learn what the *ESC care approach* is and how it aids the care of *opioid-exposed newborns*, including:

- how the **ESC Care Tool** was developed.
- key steps for implementing the **ESC Care** tool.
- how the **ESC Care Tool** can decrease need for pharmacologic treatment and hospital stay for opioid-exposed newborns.

This presentation is for anyone who provides services to women of childbearing age at risk for/living with SUD in the North Country.
